Colegio Maya Vision
A community that inspires excellence in every learner by developing their unique mind, body and character to become independent, value-driven citizens

Colegio Maya Mission
Colegio Maya serves a diverse international community, preparing responsible global citizens through a rigorous U.S. accredited college preparatory program. Colegio Maya develops ethical values and inspires all students to achieve their unique potential for excellence through challenging academics, arts, sports, leadership, and committed participation in social service. The Colegio Maya community holds all its members: students, parents, teachers, and staff, accountable for the success of every student.
